SLU-Madrid

Madrid, Spain

Program Overview

Study a variety of topics from an international perspective at a Jesuit institution in Madrid, Spain. Learn about the global trading systems of the European Union through the lens of Spanish economy and culture. Located in northwest Madrid, the Saint Louis University Madrid campus is in the prestigious university quadrant, close to other Spanish public and private universities. The student body is truly international with 25% of the 600 students coming from Spain, 40% from the United States and the remaining 35% from 55 different countries.

Host Organization

Established in the late 1960s, Saint Louis University in Madrid is the oldest U.S. university in Spain. As the Madrid campus is fully dependent on the home campus in St. Louis, Missouri, the same academic goals and values are shared with a distinctive international dimension. SLU is an AACSB accredited institution.
