

Gratitude unlocks the fullness of life. It turns what we have into enough, and more. It turns denial into acceptance, chaos to order, confusion to clarity. It can turn a meal into a feast, a house into a home, a stranger into a friend. It turns problems into gifts, failures into successes, the unexpected into perfect timing, and mistakes into important events. It can turn an existence into a real life, and disconnected situations into important and beneficial lessons. Gratitude makes sense of our past, brings peace for today, and creates a vision for tomorrow. Gratitude makes things right.
