

A large pile of various waste items is shown on the left side of the image. At the top, there are several crumpled white plastic bags. Below them are several colorful towels in shades of blue, green, yellow, purple, and pink. In the middle, there is a variety of food items including bread, vegetables like broccoli and carrots, and some packaged snacks. At the bottom, there is a large pile of electronic waste (e-waste) including computer monitors, keyboards, and other hardware components. A grey recycling bin is partially visible in the foreground, tilted towards the right.

Styrofoam, Textiles, E-Waste Food & Liquid Waste, Plastic Bags

DO NOT go in the blue recycling bin

**But SU will recycle them for you!
Find out how:**

Recycling Tip:
**Make sure your
recyclables are clean.**
**If they're dirty they
have to go in the garbage**
