

Bachelor of Science in Diagnostic Ultrasound: Typical Four-Year Program of Study

General Vascular Track

A student must complete 180 credits and earn a major/program and cumulative GPA of 2.00 (C) or better in all courses taken at SU. All majors must obtain a minimum grade of C (2.00) in all DIUS courses

These plans of study assume that you have completed no degree requirements (see list below). Your actual plan of study may vary from this example due to prior educational experience or individual goals. You should plan to work closely with your academic advisor to complete your personal educational plan and refer to the Catalog for pre-requisite information.

| Bachelor of Science in Diagnostic Ultrasound (designed for students with 180 credits remaining to degree) | | | | |
|---|---------------------------|----------------------------|----------------------------------|-----------|
| | Fall Quarter | Winter Quarter | Spring Quarter | |
| FR | BIOL 1610 / 1611 | BIOL 1620 / 1720 | SCI ELECT BIOL 1630/1730 | |
| | CORE I (ENGL 1100) | CORE I (PHIL 1100) | MATH 1130 OR 1230 | |
| | CORE II (Math 1230) | CORE I (Fine Arts) | CORE I (History 1200 or 1210) | |
| | | | CORE I (ENGL 1200) | |
