

How to Log in to Seattle University's CMS

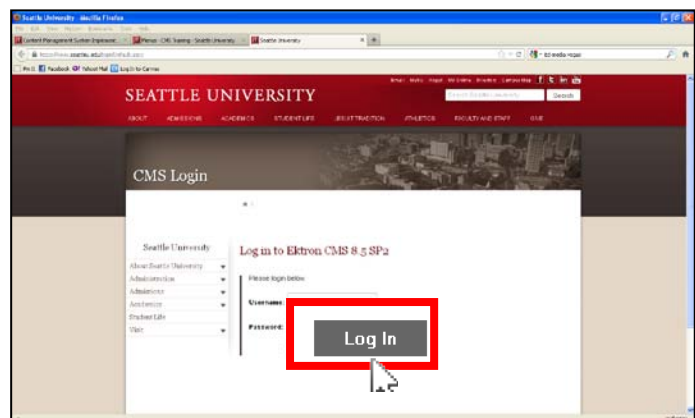

1. Go to <http://www.seattleu.edu/login>

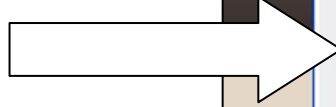

2. Type in your Seattle U username and password.

3. Click the **Log in** button

4. Another window should appear that looks like this.

NOTE: If the window does not appear, your browser may be blocking the window. See if any notices pop-up and choose the option that allows the window to open.
