2012 SU Short-Term Program Student Budget for Financial Aid

The purpose of this form is to comply with Federal Financial Aid regulations in determining the "cost of attendance" for your study abroad program. The information you provide is essential for students who will need additional loans, etc. to be able to participate. For the purposes of Financial Aid, the money amounts you include must be for expenses related to the program only and not for students' personal to expenses. Contact **Gina Lopardo** with questions at **x6460**.

Program Director:			Phone:
