

DEGREE REQUIREMENTS	CURRICULUM NOTES
<p><b>Credits:</b> minimum of 180 credits  <b>Credits in major:</b> 113  <b>GPA cumulative minimum:</b> 2.0  <b>GPA major minimum:</b> 2.0  <b>Prerequisite Courses:</b> Students must receive a grade of C- or better.</p> <p>All students earning a B.S. in Biochemistry complete the American Chemical Society certified degree.</p>	<ul style="list-style-type: none"> <li>• Please Note: In order to complete a Biochemistry degree in two years, at least three of the following four year-long sequences need to be completed prior to transfer: Organic Chemistry, Calculus, Physics, and Biology in addition to General Chemistry.</li> <li>• BIOL Electives = <u>1630/1631</u> – Biology III, <u>2700</u> – Genetics, <u>3100</u> – Microbiology, <u>4700</u> – Molecular Genetics, and <u>4750/4751</u> – Cell Biology.</li> <li>• CHEM Electives = <u>3520/3521</u> – Physical Chemistry: Photochemistry-Mixtures-&amp; Statistical Thermodynamics/Lab, <u>4700/4701</u> – Advanced Inorganic Chemistry/Lab, and <u>4000</u> – Instrumental Analysis.</li> </ul> <p><b>For complete information on courses and/or prerequisites, please use this guide sheet in conjunction with the Academic Catalog online: <a href="http://catalog.seattleu.edu">http://catalog.seattleu.edu</a></b></p>

**The example below assumes that you enter Seattle University with junior standing (90 credits), have earned a transferable associate's degree, and have successfully completed a full year of General Chemistry, Organic Chemistry, Calculus and one quarter of General Biology equivalent to BIOL 161/171.**

**Please Note: If you have already taken a full year of Organic Chemistry, then your Junior year will be devoted to completing Math and Physics requirements and you will need to enroll in CHEM 319 and CHEM 488 for Fall quarter. Physical Chemistry will replace Organic Chemistry in the Winter and Spring quarters.**

**Students with AST may have additional core requirements depending on community college coursework.**

**Your personal program of study may vary from this example due to prior educational experience or individual goals.**
