Curriculum Notes

- To earn a college degree with this specialization, students must complete a minimum of 138 undergraduate quarter credits (years 1-3), plus 30 semester credits through the SU School of Law (year 4), with a **cumulative and major GPA of 3.50**. Then students move on to complete two more years of Law and gain a Law Degree. So in total, this takes 6 years. Talk to CRJS department if you're interested in this specialization. A maximum of 30 community college credits may apply to CRJS classes.
- CRJS-4870 Senior Synthesis can be taken for 3 or 5 credits. Take it for 3 credits unless you need the extra 2 credits to reach the total of 138 undergraduate credits you need.
- Please refer to the Course Catalog (<https://catalog.seattleu.edu/>) for a full list of approved courses that fulfill Areas I, II & III and all CRJS specialization electives.

Use MySeattleU Student Planning to plan your courses and work closely with your academic advisor on your educational plan. You are responsible for knowing information and tracking changes. Contact your Advising Center for support.
