

REFUNDS OF TUITION AND FEES

The flat rate tuition plan, initiated fall of 2001 for undergraduates, charges a single rate for 12 to 20 credits each term. Undergraduate students whose withdrawal from a course reduces total credits for the quarter below 12 credits, and all graduate students, will have tuition refunded on the schedule noted below.

Official withdrawal (full or partial) fall, winter, or spring terms:

Effective fall quarter, 2023

Through the last day to add/drop:	100 percent
Through 10 th instructional day of the term:	75 percent
Through 15 th instructional day of the term:	50 percent
Thereafter	No refund

Official withdrawal (full or partial) summer term:

4 week and Intersession:	Through the last day to add/drop	100 percent
	Thereafter	No refund
8 & 10 week sessions:	Through the last day to add/drop	100 percent
	Through Saturday in the 2 nd week	50 percent
	Thereafter	No refund
Short courses: (Noted in the schedule)	On or before the second meeting date	100 percent
	Thereafter	No refund

The official date of withdrawal is the date of the on-line withdrawal transaction submission.

For financial aid recipients who completely withdraw, any refund is applied first to the student's financial aid source(s) in accordance with federal, state and institutional guidelines. Credit balance refunds created by withdrawal adjustments will be remitted to the student by check or direct deposit.

Hardship Withdrawal Refund

Tuition refunds for those receiving HW grades generally follow the tuition refund policy based upon the official date of withdrawal. However, students may request a full tuition refund when there is a death in the immediate family (parents, children, and/or siblings) or if the student was hospitalized for three (3) or more consecutive days in the quarter. Other hardship conditions are considered on a case by case basis and may or may not be granted a tuition refund.

1. A refund request is made by submitting a letter addressed to the Director of Student Financial Services in which the student explains the circumstances and rationale for the refund request. This letter is submitted with the required documentation provided in the petition for the hardship withdrawal.
2. Refund requests are decided and acted upon within sixty (60) days of receipt of the request by the Director of Student Financial Services.
3. All refund requests must be made no later than the end of the quarter following the quarter in which the hardship withdrawal was initiated.
4. A refund of tuition following a hardship withdrawal is limited to one time only.
