

Dear Rudy,

Your student has been getting weekly emails from the Orientation Programs office. Please remind them to read these emails thoroughly. The information there will guide them through the processes and next steps they need to complete for their transition to Seattle University.

REDHAWK ROUNDUP | JUNE 12, 2024 | 5PM-6PM

A tradition you won't want to miss! You'll meet our Orientation team, be welcomed by campus leaders—including President Eduardo Peñalver—and start connecting with Redhawks from across the globe. This session is for new students, families, and supporters – we hope to greet as many of you and your new students as possible. **Your student must [visit this link](#) to sign you up.**

REDHAWK LAUNCH

Has your student signed up for **Redhawk Launch**, our two-day summer orientation events taking place July 1-2, 15-16 or 18-19? These are not required but we encourage you and your student to attend to help them prepare for college life at Seattle University. We know not everyone can travel in the summer so there will also be an abbreviated one-day session on Friday, 9/20 for those traveling from afar. Students can RSVP and sign up guests through their Orientation Portal.

Spots are starting to fill up - encourage your student to sign up today!

- **Hotel Information:** Overnight accommodations are **not** provided for guests. We have partnered with our neighbor, the Silver Cloud Hotel (1100 Broadway, Seattle, WA 98122), for a discounted rate for the dates of Redhawk Launch sessions.
 - Guests do not have to book a room with the Silver Cloud and can choose their own overnight accommodations in Seattle that best fit their needs, however we do not have a discount rate for other hotels. If you'd prefer the discounted rates with Silver Cloud Hotel, then please review booking rates and instructions by clicking on the link below for your session:

TRANSFER STUDENT ORIENTATION

Has your student signed up for **Transfer Student Orientation** on August 29, 2024? This one-day session is optional but designed to help your student learn about essential campus resources and make connections to other students. There is also a family component. Students can RSVP and sign up guests through their Orientation Portal.

VIRTUAL ORIENTATION EVENTS

We can't cover everything in the on-campus programs, so we encourage you to take advantage of the virtual orientation programming throughout the summer as well. The schedule launched June 5 and your student can sign up via their Orientation Portal. You can view the schedule by [visiting the Orientation website](#).

The Parent & Family Engagement Office is here for you. Please feel free to contact us with your questions.
